

Educators of Excellence Online Privacy Policy

This privacy policy discloses the privacy practices for www.educatorsofexcellence.com. This privacy policy applies solely to information collected by this web site.

Information Collection, Use, and Sharing

We are the sole owners of the information collected on this web site. We only have access to information that you voluntarily give us on our web site or by direct contact from you. We will not sell or rent this information to anyone.

We request information from you to make payments on our web site. You must provide contact information (such as name, physical address, email address and phone number) and financial information (such as credit card type, credit card number, expiration date and security code). This information is used for billing purposes and making payments toward program costs. If we have trouble processing a payment, we'll use this information to contact you. In order to process your payment, you must read and agree to the "terms of service" o

Unless you ask us not to, we may contact you via email in the future to tell you about upcoming trainings, course work offerings or specials.

Your Access to and Control Over Information

You may opt out of any future contacts from us at any time. You can do the following at any time by contacting us via the email address or phone number given on our website:

- See what data we have about you, if any.
- Change/correct any data we have about you.
- Have us delete any data we have about you.
- Express any concern you have about our use of your data.

Security

We take precautions to protect your information. When you submit sensitive information via the website, your information is protected both online and offline.

Wherever we collect sensitive information, such as credit card data, that information is encrypted and transmitted to us in a secure way. You can verify this by looking for a closed lock icon at the bottom of your web browser, or looking for "https" at the beginning of the address of the web page.

While we use encryption to protect sensitive information transmitted online, we also protect your information offline. Only employees who need the information to perform a specific job (for example, billing or customer service) are granted access to personally identifiable information. The computers and servers in which we store personally identifiable information are kept in a secure environment.
